BOOP!

This is a snoot.
Snoots need boops.
A boop is a pat.
A gentle tap.
Get your finger
ready and . . .
BOOP!

This charming, playful, fun, and interactive picture book from Bea Birdsong and Linzie Hunter invites readers to boop all the doggy snoots they see. Perfect for story time with one child or a whole pack, let's boop along with *Boop!*

STORY TIME TIPS

- ★ Before reading the book aloud, practice gentle boop taps with a single finger.
- ★ Invite kids to snuggle with a stuffed animal they can boop!
- ★ Share the case wrap underneath the book jacket with story time participants. Count the snoots to boop!
- ★ After reading the book aloud, line up stuffed animals for a boop parade!
- ★ Play a game of "Snoot, Snoot, Boop!" patterned after "Duck, Duck, Goose!"

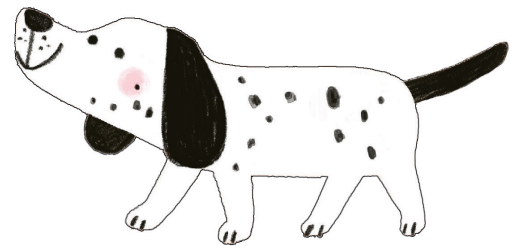

Use the materials in this kit to engage kids while they gather for story time, or after story time as a fun take away.

"Young listeners will love interacting with the playful cartoon illustrations to find and give boops to the 'floofiest' and 'smooshiest' snoots." —KIRKUS REVIEWS
